01. ABOUT US

About Us

eBankome Group is an international real estate and investment company established in 2018, focused on connecting investors, property owners, developers, brokers and strategic business partners across global markets.

Through our international network and professional partnerships, we create access to selected real estate opportunities, facilitate cross-border transactions and support clients in navigating international property markets.

Our activities extend beyond traditional real estate brokerage. We bring together investment opportunities, property transactions, capital and asset management consultation, international development projects, franchising and professional education within one connected business network.

We believe that successful real estate investment is built on trust, market knowledge, professional relationships and a clear understanding of each client's objectives.

At eBankome, our goal is to make international real estate opportunities more accessible through reliable connections, structured processes and long-term partnerships.

02. OUR VISION & MISSION
